Cloud Services: **Azure App Service, Azure Search Service, Azure SQL Server and Database, Azure Translation Tool, Azure Frontdoor, Azure Redis Cache, Azure Virtual Machine, Azure Storage Account, AWS EC2, AWS S3, Amazon Comprehend, AWS Sagemaker**

Database: **PostgreSQL, MS SQL servers**

Other Tools: **Redux, Jotai, Zustand, Next Auth, Auth0, Okta, Terraform**

EXPERIENCE

Senior Engineer - LTIMindtree

07/2022 - Current

- Developed and implemented software solutions to meet client requirements, enhancing system functionality and user satisfaction as both front-end and back-end developer as per project requirement.
- Collaborated with stakeholders and cross-functional teams to identify software needs, translating complex requirements into actionable development tasks.
- Managed version control systems, ensuring robust backup and recovery procedures were in place for software projects.
- Integrated third-party APIs and services into software solutions, enhancing functionality and user experience.
- Automated routine tasks through scripting, freeing up developer time for more complex problem-solving activities.
- Worked closely with other team members to troubleshoot, identify and remove software bugs.
- Resolved various software and infrastructure issues and roadblocks for applications.
- Led the design, coding, and unit testing of software applications, consistently delivering projects within tight deadlines.
- Mentored junior developers, sharing expertise and best practices to support team development and knowledge growth.

Software Engineer - Janes Defense India LLP

05/2019 - 07/2022

- Developed various RESTful APIs in .NET core to fetch and feed data from one web service to another.
- Built dashboards and heavy data-handling in-house web apps in Angular and React JS.
- Developed the site www.janes.com in Sitefinity from the initial version till May 2022 (Multilingual).
- Provided a technology transformation from Mark Logic Index to Apache Solr for an existing repository web app.

EDUCATION

Bachelor of Technology in Information Technology (2015-2019)

10+2 (2015)

Alliance College of Engineering and Design - Bengaluru

Kendriya Vidyalaya ASC Centre (South) - Bengaluru

RECOGNITIONS

- Outstanding Achiever's Award (October 2023) – LTIMindtree
- Spot Awards Hi-five (March 2024) – LTIMindtree

HOBBIES AND INTERESTS

- Photography
- Space and Aerodynamics
- Painting
- Swimming

FREELANCE PROJECTS

- Next.js + Tailwind CSS: arpan-liart.vercel.app
- Next.js + Bootstrap: indira-consultancy-dev.vercel.app
- Next.js + Strapi + Postgres: www.chandapura.com
